## LINEA(USA) TECHNICAL BULLETIN

January 9, 2001

A new portafilter is now being shipped with all La Marzocco Espresso Machines (Part # L111-LM). This new portafilter features a straight basket and accepts all current La Marzocco Filter Baskets.

The distinguishing features on this new design are:

1. New Polished Surfaces
2. Increased Depth to accept deeper filter baskets
3. New ergonomic handle to reduce impact to wrist
4. Soft rubber handle for a more comfortable grip
5. Embossed Lion Logo on forward part of handle.
